

DEAN trailers

THE **GREATEST** AUSTRALIAN MADE **TRAILER**

DEAN

THE NAME IN TRAILERS

DEAN trailers are Australia's oldest manufacturers of trailers.

Since 1948 **DEAN** have been manufacturing quality trailers in Bowral NSW. **DEAN** trailers are recognised and respected throughout Australia and some international countries as a rugged, well engineered, well built durable trailer.

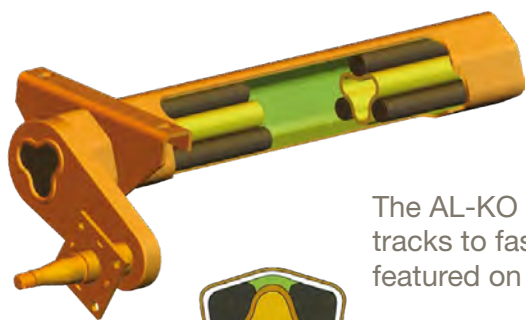

DEAN trailers are built for Agriculture, Road, Industrial, General and Special usage.

If you have a trailer requirement, talk to **DEAN** trailers, Australia's best trailer manufacturer. You will be proud of your **DEAN** trailer as you take the load off your mind and put it behind on a **DEAN** trailer.

SUPERIOR SUSPENSION

Cross section view of axle

For the past 20 years **DEAN** trailers have used the AL-KO Independent Rubber Suspension (IRS) and axles which are considered to be the benchmark for fully independent trailer suspensions.

The AL-KO axle has been proven in tough Australian conditions – from dirt tracks to fast highways, from mountain tracks to desert highways. It has featured on thousands of **DEAN** trailers and over 8 million trailers worldwide.
